BRAND INDIA ENGINEERING E-CATALOGUE

Importance of niche products	<p>For Hardened Ground are concern, we manufacture Bushes with Molycoat application inside the ID which gives extended life to the Bushes in extreme temperatures e.g. -5 degree to +60 degree without breaking lubricating layer and can withstand with the highest impact in extreme condition. For Hardened Ground Pins we are supplying to the OEMs in Europe with the use of special steel, special heat treatment & special requirement of welding for the last 15 years. We are specialized in Sub-Assly as per customer requirement e.g. Locking Piston, Hydraulic pressed Hardened Bushes in Soft Boss as well as Thrust Bearing.</p>
Potential market of niche products	<p>The Hardened Ground Bushes and Hardened Ground Pins for Constructions, Forestry, Mining & Agricultural Machinery sector. We are manufacturing Hardened Ground Bushes and Hardened Ground Pins with the highest quality of raw material as well as best possible Heat Treatment & highest quality standard required for an international market.</p>
Product Supply Record	<p>J. C. Bamford Excavators Ltd. UK, Wipro Infrastructure Engineering Pvt. Limited Europe, SKS Mekaniikka Oy, Finland, ContiTech Techno-Chemie GmbH, Germany, Hyundai Construction Equipment India Pvt. Ltd. India, TecSo Import s.r.l. Italy - T1 supplier for Komatsu Italy</p>
Patented Technologies	<p>NA</p>
Awards/Accolades	<p>For 2004/05, 2005/06, 2006/07, 2007/08, 2008/09, 2010/11, 2011/12, 2012/13, 2013/14, 2014/15, 2015/16, 2016/17 & 2017/18 company has been recognized with STAR PERFORMER award from Engineering Export Promotion Council in the category of Machinery for Mining, Quarrying & Construction & Parts, Small Forging in Small Enterprises. We are rewarded for Highest Exporter in India for Manufacturing Construction Machine Parts by Government of Maharashtra in 2007-08</p>
