## BRAND INDIA ENGINEERING E-CATALOGUE

Welcome to POSITRIX POWER PRIVATE LIMITED is a Global Leading New Energy Company committed to providing environmentally-friendly battery solutions for various industries worldwide in the brand name KALORIE. We are proud to introduce ourselves as a manufacturer, exporter & distributor of energy products LEAD-ACID BATTERIES AND INVERTERS. With professional Management and R&D Team, manufactured based on strong technical expertise, coupled with advanced manufacturing equipment. The company acquired ISO-9001 quality management system, ISO-14001 environment management system certifications. We pay great attention to the quality of our products. Strict quality control from the raw materials to the finished products ensures every battery reaches the highest quality standards. Positrix power has introduced wide range of TALL TUBULAR BATTERIES and AUTOMOTIVE BATTERIES. These batteries are specially customised to meet your needs with the best budget. Each series has been specifically designed and developed to get the best out of your applications. Lead acid batteries that are used for inverter, applications ensure uninterrupted and regulated power supply during power failure. To meet global demand of long & frequent power cuts, short recharge time, low floor space requirements, irregular maintenance, minimum emission of high temperature.

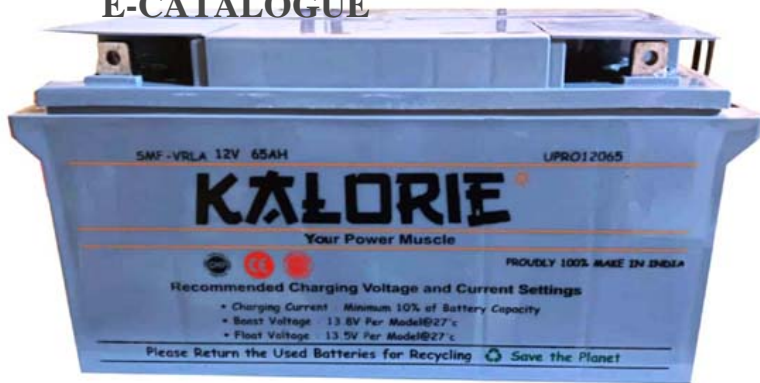

### Products Description

#### LEAD ACID BATTERIES

Technical Details	BATTERY-MODEL 12 V
ITC HS Codes	85072000
Certification/ Standard	IEC
Issuing Agency	---
Date of Issue	30-01-2017
Date of Expiry	23-10-2025
End Use Sectors	Govt. departments, Industrial Customers, Private utilities
