BRAND INDIA ENGINEERING E-CATALOGUE

Cair Euromatic Automation Pvt. Ltd. always tries to ease out your burden with the latest technology available and here we take the opportunity to make your company aware about the electrical actuators and motorized valves. “Cair Euromatic Automation Pvt. Ltd” Design, Manufacture & Supply of Electrical Actuators, Motorized valves and Micro Limit Switch Box. Achieving this certification is important company milestone to continuous improvement for the benefit of product quality and customer satisfaction as today, competition has increased the need to establish and maintain the highest quality standards and, We at CAIR are committed to give the best Services to the industry at much lower costs compared to the other counterparts to enhance the market share. ISO certifications to our Electrical Actuator & Micro Switch Box is a true achievement, especially that we heading to achieve more business expansions. receiving ISO Certification is not the end of the quality process for us, however we also executed other Third Party product related quality test like Have a quick look at our products. Electric Actuator Electrical Rotary Actuator Electrical Multi Turn Actuator Linear Actuator Damper Actuator Motorised Butterfly Valve Motorised Ball Valve Motorised Gate Valve Motorised Damper Valve Motorised Globe Control Valve

Products Description

Electric Actuator

BRAND INDIA ENGINEERING E-CATALOGUE

Technical Details

Electric Actuator Item Code: MOD "Cair" offers CE Approved offers Single Phase Rotary Electrical Actuator operated Investment Casting Ball Valve in three piece design for multiple on-off operation in the dawn stream. Electrical Actuator Details: Manufacturer: Cair Euromatic Automation Pvt. Ltd. Brand / Model: Cair / MOD Characteristic: On - Off Type APPROVALS : DESIGN (TUV) ISO 9001:2008 / CE / IEC / CMRI Travel: 90 Degree Indicator: Continuous Position Indicator Phase: Single Phase Power Supply: 220V AC, 50 Hz Body Material: Aluminum Alloy Ambient Temperature: 20°C ~ 80°C Motor Insulation: Class F Protection Class: IP 67 Weather Proof Manual Adjustment: Wrench Setting Limit Switch: 1NO + 1NC output of 220V AC Position on Power Fail: Stay Put Manual Override: Provided Accessories: Modulating / Regulating Type Signal Input: 4 ~ 20 mA Potentiometer Feedback Integral Starter Unit Control Panel Spring Return Type with Battery Back-up System

Electrical Ball Valve

Technical Details

220V AC Single Phase / 415 VAC / 380V AC Three Phase Electrical Actuator operated Ball Valve. Size range 15mm to 400mm. Type : 2 Way Ball Valve / 3 Way Ball Valve / Diverting type Ball Valve / Mixing Ball Valve / Screwed Ball Valve / 150# Flanged Ball Valve/ 300# Flanged ball valve / 600# Flanged ball Valve/ Trunion Ball Valve / Wafer type Ball Valve

Electrical Actuators & Motorized Valves

Cair®

IS 13095 Butterfly Valve with Electrical Actuator

Gate Valve with Electrical Actuator

- » Ready Stock
- » On site commissioning support
- » 24X7 after sales service
- » Three Phase / Single Phase Electrical Actuator
- » Torque Range 35 Nm to 24000 Nm

GWSSB
GUJARAT WATER SUPPLY AND SEWERAGE BOARD
(Gujarat Government Undertaking)

Manufactured By:
Cair euromatic automation pvt. ltd.

Is After Sales Service Provider?

Yes

Importance of niche products

CAIR electric actuators provide a solid foundation for automating almost any quarter-turn & multi-turn application. They are actuators of choice in cold temperatures, corrosive environments, and are easily integrated into distributed control systems. The major requirement in actuator technology is withstanding the harshest climatic conditions even after decades and ensuring perfect function on demand.

Potential market of niche products

CAIR offers individual electric actuator solutions for any application like Civil Engineering Constructions For Water Applications, Hydropower, Weirs, Dams And Locks weirs, Dams And Locks, Turbine Control, Hydroelectric Power Projects, Thermal Power Plant, Steel Industry, Food & Pharmaceutical Industry, Furnace Industry, And All Kind Of Process Industry.
