Established in 1956, Embee group is one of the leading solution providers in the textile machinery industry. Embee started with a humble beginning by manufacturing textile trolleys. Today, Embee is the only company in the world to manufacture the complete package for Textile Rotary Printing Systems which includes textile rotary screen printing machine, textile rotary screen engraving plant, complete package for color kitchen systems, washing systems and accessories. VISION: Embee group's vision is to be the most trusted global leader in innovative technological solutions which are focused on Higher Efficiency and Returns for sustainable growth of all the stakeholders MISSION: To have a happy customer base of 10,000 by the year 2026 VALUES: Innovation, Efficiency & Growth

### Products Description

#### Infinium- Textile Rotary Screen Printing Machine

##### Technical Details

- Superior technical design ensures high printing accuracy for printing most complex types of design at even higher speed - Highly reliable and high quality of printing - Sharp printing result and ease of color adjustments while printing - Convenient and energy efficient for economical operation - Flexibility of the machine ensures printing with different repeats - Superior infed design can handle different types of fabrics including delicate fabrics like lycra, blended, knitted as well as woven

## BRAND INDIA ENGINEERING E-CATALOGUE

ITC HS Codes	8443.1949
Certification/ Standard	ISO
Issuing Agency	---
Date of Issue	08-12-2016
Date of Expiry	
End Use Sectors	
Product Images	

### Engraving Plant

Technical Details	Complete Range of Engraving equipment for textile rotary screens
ITC HS Codes	8442 30 90
Certification/ Standard	ISO
Issuing Agency	---
Date of Issue	08-12-2016
Date of Expiry	07-12-2019
End Use Sectors	Textile printing and processing unit

## BRAND INDIA ENGINEERING

### E-CATALOGUE

Product Images

### LaserBird - Laser screen stripping machine

#### Technical Details

-Computerized and fully automatic laser stripping machine -One touch operation -  
No other running cost except electricity -Air suction unit for automatic stripped  
waste collection in separate drum -Completely dry area -Work under daylight -  
Fewer process steps -Very simple workflow PLC and HMI assisted hardware -  
Software for laser stripping machine provided

#### ITC HS Codes

8456.1000

#### Certification/ Standard

ISO

#### Issuing Agency

---

#### Date of Issue

08-12-2016

#### Date of Expiry

07-12-2020

#### End Use Sectors

Textile printing and processing unit

## BRAND INDIA ENGINEERING E-CATALOGUE

### Product Images

### Smart Color - Color Kitchen System

Technical Details	-Perfect and homogeneous mixing -Consistent quality of color paste -Exact recipe can be followed easily -High speed mixing wit dual stirrer -Uniform particle size -Uniform viscosity -Variable speed control -Automatic speed control -Heavy duty pump for fast transfer
ITC HS Codes	8451 40 29
Certification/ Standard	ISO
Issuing Agency	---
Date of Issue	08-12-2016
Date of Expiry	07-12-2020
End Use Sectors	Textile printing and processing unit

## BRAND INDIA ENGINEERING E-CATALOGUE

Product Images

### Accessories for rotary printing

Technical Details	- Rotary sample printing machine -Colour sample ( colour strike-off) printing machine
ITC HS Codes	8451 40 99
Certification/ Standard	ISO
Issuing Agency	---
Date of Issue	08-12-2016
Date of Expiry	07-12-2019
End Use Sectors	Printing and Processing unit
