Manufacturers of Instrumentation Tube/Pipe fittings and valves. Also, undertakes subletting jobs of various valve components

### Products Description

#### Manifolds

Technical Details	2/3/5 way manifolds
ITC HS Code	848180Appliances for pipes, boiler shells, tanks, vats or the like (excluding pressure-reducing valves, valves for the control of pneumatic power transmission, check "non-return" valves and safety or relief valves)
Certification Category	System Standard
Certification/ Standard	ISO
Issuing Agency	TUV NORD
Date of Issue	12-10-2016
Date of Expiry	14-09-2018
Certificate Image	---
End Use Sectors	Oil & Gas

SAFETY RELIEF VALVE

Sectors of Interest

Valves, Instrumentation Fittings, Fire Valves

Is OEM Supplier?

Indigenous , Licensed

Is After Sales Service Provider?

No

Importance of niche products

Thomas & Brian Mfg. Pvt. Ltd. is essentially a master machinist. The product line is a byproduct of our expertise in the line. Niche products would be machining of various valve components used in the Oil & Gas, Chemical, Pharma Industries.

Potential market of niche products

Potential Markets are American & European markets. Heavy manufacturing costs of specialised components makes it difficult to reduce the overall costs of the final assembled products.
