MARS PRODUCTS & SERVICES (MARS), established in the year 2000, is a market driven, result-oriented organization, managed by professionals. MARS an ISO-9001:2015 certified organization has an impressive track-record since its inception in the year 2000, and has reached out its product and services to a vast cross-section of industry in India and abroad. The core activity of MARS is marketing world-class Instrument and Engineering products of global leading companies, with supporting 'engineering back-up' and 'value addition'. The main product of Fluid Engineering Division is FLOW METER, and its Accessories. The Flow Meters are available in Mechanical and Electronic configurations. MARS, with its team of highly trained professionals, with over 15 years of dedicated experience in flow metering has emerged as one of the most reliable partners in fluid flow measurement. Besides Flow meters, we also supply Tank fitting equipment's like Pressure Vacuum Breather Valves, Flame Arrestors, Safety Valves, Gauge Hatches, Emergency Vents etc. and Automatic Tank Gauging Systems. At home we supply Products & Services to Army, Navy, Air Force, Atomic Energy, Railways, Petroleum (Oil) companies and Process industries to name a few. We also export to Albania, Dubai, Indonesia, Jordon, Kenya, Nepal, Nigeria, Pakistan, Philippines, Singapore, Tanzania, Uganda, Vietnam.
