We are one of the first three companies of India to obtain Indian FDA (CDSCO) permission to manufacture Orthopedic Implants. We offer a wide & growing range of the highest quality orthopedic implants & instrumentation along with other associated product at reasonable cost. We have got a sound and firm position in the orthopedic industry by having a sturdy network of distributors domestically & around the globe. We are having the most modern technologies and are one of the leading manufacturers (since 1992) with pinnacle superiority of Ortho-Implants and instrumentation's. We offer a wide range of Orthopedic Products made up of Stainless Steel 316L, Stainless Steel 316LVM or Titanium. We have employed Quality management System which Confirms to ISO9001 & ISO 13485 standards. Our all products are CE marked as per European Council Directive 93/42/EEC and are licensed by Indian FDA for manufacturing. Based on the principles of Quality Excellency, our product satisfies the expectations of our customers. Our motto is to provide the best quality products and to continue as a leading manufacturer & supplier of orthopedic implant & instrument in the global market.
